
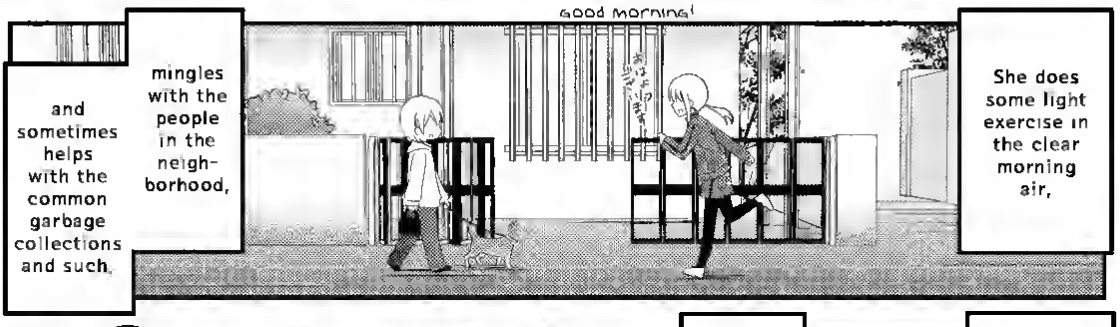
[text Benio Baka (Vol 6 Ch 2)]



good morning!
She does some light exercise in the clear morning air,
mingles with the people in the neighborhood,
and sometimes helps with the common garbage collections and such.

When she returns home she is greeted by the smell of breakfast her younger sister made,
and the gentle words of the other little sister.
JUST YESTERDAY YOU SAID YOU WERE HURTING FROM FALLING OVER, BUT YOU'VE ALREADY RECOVERED?
SCARY!

[Ultimate Evolution Girl Theresa's Theme Song]
When you think it's one-on-one, it's really one-on-two.
When you think there's someone else, only one is true.
How many Theresas are there? Can you tell?
Sour, and not-so-sweet times exist as well.
Right! You win some, you lose some.
You fight some, you snooze some.

From her home, the Land of Magic,
